

P.O. Box 8103, Coburg, OR 97408

Greetings, Friends of the Coburg Car Classic!

It is time to circle your calendar for the **30th Annual Coburg Car Classic** which will be held Saturday, August 7th, 2021.

As is our tradition, great events are planned to happen during the entire day. These events include a delicious BBQ Chicken Lunch, an exciting engine blow, activities and coloring for the younger set, raffles, and wonderful prizes. We again anticipate great participation from the car classic community and this is where you come in. We respectfully ask you to be a sponsor of this event. For many of you, this is ongoing support. We recognize that the last year and a half has been tough on everyone. Your support is appreciated but we understand if you have to pass this year or give less than previous years. We just want to try to bring back our quality show for the community. **Thank you!** For some, we hope this will be a first time involvement. **Welcome!**

As a sponsor of this event, for **\$200.00** money and/or product (at least half in money), you will receive some great benefits, including:

- The ability to reach hundreds of car classic enthusiasts with your company message and products. These are loyal customers with spending power!
- Your company name engraved on a designated award plaque which is given for various categories, your choice as to the category you wish to award. A representative of your company can select the entrant's car that best matches your category.
- Your company name featured on the T-shirt given to all participants and on sale for all visitors.
- A high quality sponsor shirt in your specific size
- The opportunity to directly promote your business to the thousands of visitors and participants of this event by donating small giveaways (pens, notepads, etc.) for both our Registrants' Goody Bags and our Raffle Prize selection.

Companies that contribute **\$500.00** or more in their sponsorship will receive all of the above benefits except the lettering of your company's title on the t-shirts and on all printed material will be in larger print than the other sponsors.

Sponsorship at the **\$1000** level receive all of the above and additionally can choose to display a business banner at the event.

BEST OF ALL, your sponsorship of this event gives direct benefit to the entire Coburg community in numerous ways. In the past we have updated the city park with bike racks and park benches, purchased street traffic control barricades, and given monetary support for the new park structure with donations to the Coburg Hills Cohort. Coburg Community Grange, the sponsoring organization is proud to again share this wonderful car show with the public and dedicate all proceeds back to Coburg and surrounding small communities.

We are excited about this year's Car Classic and hope you can help to make our 30th year a big success. **Because of the short notice to organize the Coburg Car Classic this year, you will NOT be getting a follow up phone call about your sponsorship.**

Joe Morneau, 541-228-8650 or Alice Brooks, 541-520-3901
