

## Coburg Car Classic Cruise Information

- Meet at Hayworth Estates Vineyards (92075 Powerline Road, Eugene, 97408) Through Coburg, headed towards Harrisburg. At the 2<sup>nd</sup> sweeping curve on Coburg Road, go straight onto Powerline. Hayworth will be on the right, and there will be signs.
- There is NO CHARGE for registration, but donations are accepted.
- Registration will be your name and contact info (phone or email)
- You will receive a MAP of the cruise route(s) and a list of COBURG AREA BUSINESSES who will be offering discounts on August 1<sup>st</sup> to Car Classic participants.
- There will be FOUR routes, and all cars will do all four routes, ending in the town of Coburg.
- There will be a photo opportunity for individual cars at Hayworth (with the Coburg Hills in the background!)
- Cars will be sent out in groups lead by someone who knows the routes. Follow that person.
- Drive slow. Follow ALL TRAFFIC LAWS. We will NOT be blocking streets along the routes.
- The City of Coburg has been publicizing the event to residents who will line the streets from their yards to see all the cars.
- You may throw candy along the route if you choose. All candy has to land in yards, NOT IN THE STREET.
- There will be no food service at Hayworth Estates. At the end of the cruise, please consider patronizing our businesses who are supporting the cruise. Let them know you are with the Car Classic Cruise to get a discount (varies by business) You will also get the discount before the cruise if you stop at one of the participating coffee shops or restaurants before heading out to Hayworth Estates. This only applies to businesses that are offering discounts.
- This is our first time offering a cruise, so bear with the committee as we iron out the glitches. We look forward to seeing all of your beautiful cars, even though we can't meet in the park.
- HAVE FUN!!

Joe Morneau: 541-228-8650

Alice Brooks: 541-520-3901
